

**Dear Community Friends,**

We would like to invite you to join us as a partner in building the Performing Arts Program at Campbell High School! This spring, our students will produce this public school’s production of the play “**Clue,**” with 4 shows in late April. As a non-profit organization, Campbell Drama counts on the generous support of local donors and businesses that believe in the value of arts programs that educate and prepare children to be well-rounded and confident adults. We greatly appreciate your support in making this and future productions a success by making a contribution **OR** purchasing ad space in our program book!

**All donors will be thanked for their contribution on the back of the show’s program which will be seen by countless parents, students, faculty, community members and more! Local students and their families will THANK YOU for helping to support the most ambitious school drama program in Smyrna! Please contact Caroline Sandrew with any questions about the information on the reverse side. Wedo hope you choose to be a part of our program!**

We appreciate your time.

Sincerely,

Caroline Sandrew & Lauren Williams
