Family & Friends of the CHS Theatre Program,

This year our students have an exciting calendar of events including three major productions; two class productions; Improv and Sketch shows; Lip Sync Battle; Broadway Bound; and field trips. We also plan to take students to the annual ThesCon gathering, "the best three days of high school theatre in Georgia."

As a public school program supported by a non-profit Drama Booster Club, we rely on the generous support of families and local partners who believe in the value of arts programs that educate and prepare children to be well-rounded and confident adults.

The 2023-24 Calendar can be found on our website at campbellhightheatre.com.

Please consider purchasing a program ad to appear in the show program for one or more of our three major productions this year.

We appreciate your time and hope to see you at a show!

Sincerely,

Lauren Williams and Erin Coleman, Theatre Directors, CHS
